

Rose City Antifa

Nazi Tactics in Central Oregon

Fri, Dec 8, 2017

Anti-fascist activists from Rose City Antifa, Pacific Northwest Anti-Fascist Workers Collective, and Eugene Antifa have been able to get access to the logs of a Discord server used by a variety of Pacific Northwest fascists and white supremacists, given the tongue-in-cheek name, the Cascadian Coffee Company (CCC). Discord is a chat app, originally developed for online gaming, but often used by the far-right and white supremacists groups to organize their groups and events. These logs contain thousands of messages detailing activities, organizing, and interactions of one particular bunch in the region. In an ongoing series of articles, the coordinating anti-fascist groups will publish revealing information about this particular set of Nazis organizing throughout the Pacific Northwest region, located from Ashland to Seattle. You can follow all of these stories by visiting our website at rosecityantifa.org, or following us on Twitter @rosecityantifa and using the hashtag #PNWfascistlogs and #CCC.

Rose City Antifa has been able to get a good look at the tactics of these particular Nazis, which should help anti-fascist activists throughout the Northwest in combatting and countering their efforts.

Propaganda

The main goal of the Oregon Aryans is propaganda, pure and simple. Their notion of what constitutes success is how much media coverage their actions generate. Their propaganda has two main facets: first, to anger liberals and anti-fascists by being racist in plain sight; and second, to draw sympathetic and allied racists and white supremacists to their cause.

David Woods (Australopithecus Jordan) wants to recruit new members to the group, because there are only two of them in his town.

Being fascists, they are obsessed with displays of strength, and feel this is the most powerful propaganda there is. This occurs in two main ways: by having a strong organization, and by intimidating the at-risk communities that are their targets. Historically, fascists fail to have strong organizations, being susceptible to demagoguery and in-fighting, while attracting participants whose ideological disposition allows them to be impressed by these sort of dangerous and anti-social performances. In a grasping attempt to balance this lack, fascists tend to pour their energy toward the second path: violence and intimidation towards at-risk communities. They seek to create an environment of fear in the absence of an environment of control.

DatGoy 4/18/2017, 8:21:46 PM

even the cucks on imgur and reddit were cheering that antifa whore getting laid out

blackhat 16 4/18/2017, 8:22:01 PM

We want to recruit those who've already had their racial consciousness awakened, but we aren't interested in acting as an "outreach" program, so to speak. As such, activism is not prohibited but neither is it on our priority list. Our focus assumes a collapse of the System and thus we prioritize preparedness and training for that eventuality.

Wehrmacht 4/18/2017, 8:23:34 PM

But I want to feel like a roman centurion

blackhat 16 4/18/2017, 8:36:15 PM

Lol.

Then you are in the right place (joining APB). Part of the appeal of the centurion is that his battle-ready uniform meant something because it was backed by the organization it represented. If there weren't a hundred other soldiers wearing the same gear, the presence of a centurion means nothing. Without that, you're just a based stick man...

Wehrmacht 4/18/2017, 8:37:23 PM

Agree Lol but. I still believe that being politically active is a good thing in some ways

blackhat 16 4/18/2017, 8:42:47 PM

So do I. But people are magnetized by strength, and strength is projected through uniformity. Without the backing of organizations and the outer trappings of such, it's easy to dismiss a group of people as simply rabble, imo

Australopithecus Jordan 4/18/2017, 8:03:09 PM

Organization is key. Also, when normies are being cucked by commie fags and a group of WN steps up to help them...the result is normies who feel indebted to WN. We can sieg heil and all that good fashy stuff, just dressed nicely and presenting ourselves well.

Australopithecus Jordan 4/18/2017, 8:04:00 PM

The thought will occur to the normies: fashy gud - commie bad.

Matthew Lee Combs (blackhat 16), Justin Marbury (Wehrmacht), and David Woods talk about how American Front and American Patriots Brigade makes them feel like big men.

Posters, Stickers, Apparel

One of the main ways they conduct their propaganda efforts is with fliers. Justin Marbury was arrested putting up Nazi fliers in Ashland in January of 2017. He has a very high opinion of himself, and thinks his posters are attracting a lot of attention.

Wehrmacht 7/1/2017, 1:13:39 PM

You would have loved my first round of propaganda being AWD. had some pro Hitler shit to appeal to leftists about all his great social policy

Marbury seems to think that leftists will be cajoled into becoming nazis with references to Hitler's "social policy."

They feel that their posters make their organizations seem larger than they are.

Wehrmacht 6/18/2017, 8:33:49 PM

make them think that we are literally being flooded with various nationalist organizations

Wehrmacht 6/18/2017, 8:33:56 PM

out of nowhere

Wehrmacht 6/18/2017, 8:34:18 PM

kinda like a false flag.

Wehrmacht 6/18/2017, 8:34:38 PM

thats why i put out AV and NR posters

Wehrmacht 6/18/2017, 8:34:51 PM

now they think that there are multiple active orgs in oregon

Wehrmacht 6/18/2017, 8:34:57 PM

when neither are active

Marbury admits to creating posters for groups that don't exist in Oregon, so people will think that they are active here.

There is some debate about what the posters should say, however. Some feel they should push a more hardcore nazi angle, to appeal to white supremacists. Others feel they should start slower, recruiting far-right nationalists, and then eventually bringing them over to a more racist politics.

Australopithecus Jordan 6/19/2017, 6:36:20 PM

Propaganda: The use of various organization fronts such as "Ashland Patriots" or "Ashland Stormer" (for example) can be used to do actual recruitment. Having hardcore Daily Stormer Book Club recruitment posters will appeal to a certain crowd, having more mild Nationalist posters will appeal to others. By putting out various posters you can achieve your goal of looking like many active groups, and also achieve the goal of funneling new members into our ranks, posters can have a contact method in place. Looking larger and more organized is good, becoming larger and more organized more gooder.

This disagreement was the core of an argument between members of Atomwaffen Division (AWD) and the Oregon Aryans. AWD tends to use more overt nazi imagery in their propaganda. Khimære, one of the CCC Discord users, claims to be behind all or most of the AWD propaganda released nationwide.

me and one of the other guys have been behind most of the AWD propaganda

khimære 7/1/2017, 2:40:31 PM

<https://atomwaffendivision.org/propaganda/>

After chiding Marbury for not using swastikas on his posters, the AWD member then calls Marbury a reactionary.

Wehrmacht 6/18/2017, 8:39:45 PM

I fucked it up

Wehrmacht 6/18/2017, 8:39:54 PM

when I put swastikas on NR propaganda

blackhat 16 7/11/2017, 11:35:45 PM

Because I always intended this whole thing to be a communication platform for all Nationalists in Cascadia to communicate with. So I invited them here. Some them were AW/ from the Twitter DM

Wehrmacht 7/11/2017, 11:35:55 PM

All the people that are in here in here to work together and none of you even showed willingness to begin to do that

Wehrmacht 7/11/2017, 11:36:21 PM

You do exactly what you guys are known for doing which is claimed the superiority of your own tactics and denounce everybody else as lemmings

Wehrmacht 7/11/2017, 11:37:27 PM

If you think that your tactics are so great where the **f are you in the news and what the f** are you guys doing for an ethnostate for your white brother? Because we're actually trying to do something and all you've done is talk down on it

khimære 7/11/2017, 11:37:47 PM

I suppose part of the issue is there is a pattern, people are doing the exact same stuff they did decades ago and soaring down this path of reactionary pandering.

khimære 7/11/2017, 11:37:58 PM

really? where are we on the news?

khimære 7/11/2017, 11:38:14 PM

<https://www.youtube.com/watch?v=QLPs39UNLE>

Then David Woods jumps in, and they argue for a long time.

blackhat 16 7/11/2017, 11:44:18 PM

I'm asking all three of you, nicely, to please return to your corners. The round is over

Australopithecus Jordan 7/11/2017, 11:44:51 PM (edited)

I bet you're a little nigger ain't you?

Wehrmacht 7/11/2017, 11:45:01 PM

Just saying when your tactics lead to your members becoming Muslims who want to blow people up they were friends with your tactics or f** wrong

khimære 7/11/2017, 11:45:04 PM

I'm done with this. This is stupid.

Australopithecus Jordan 7/11/2017, 11:45:24 PM

Good GTFO

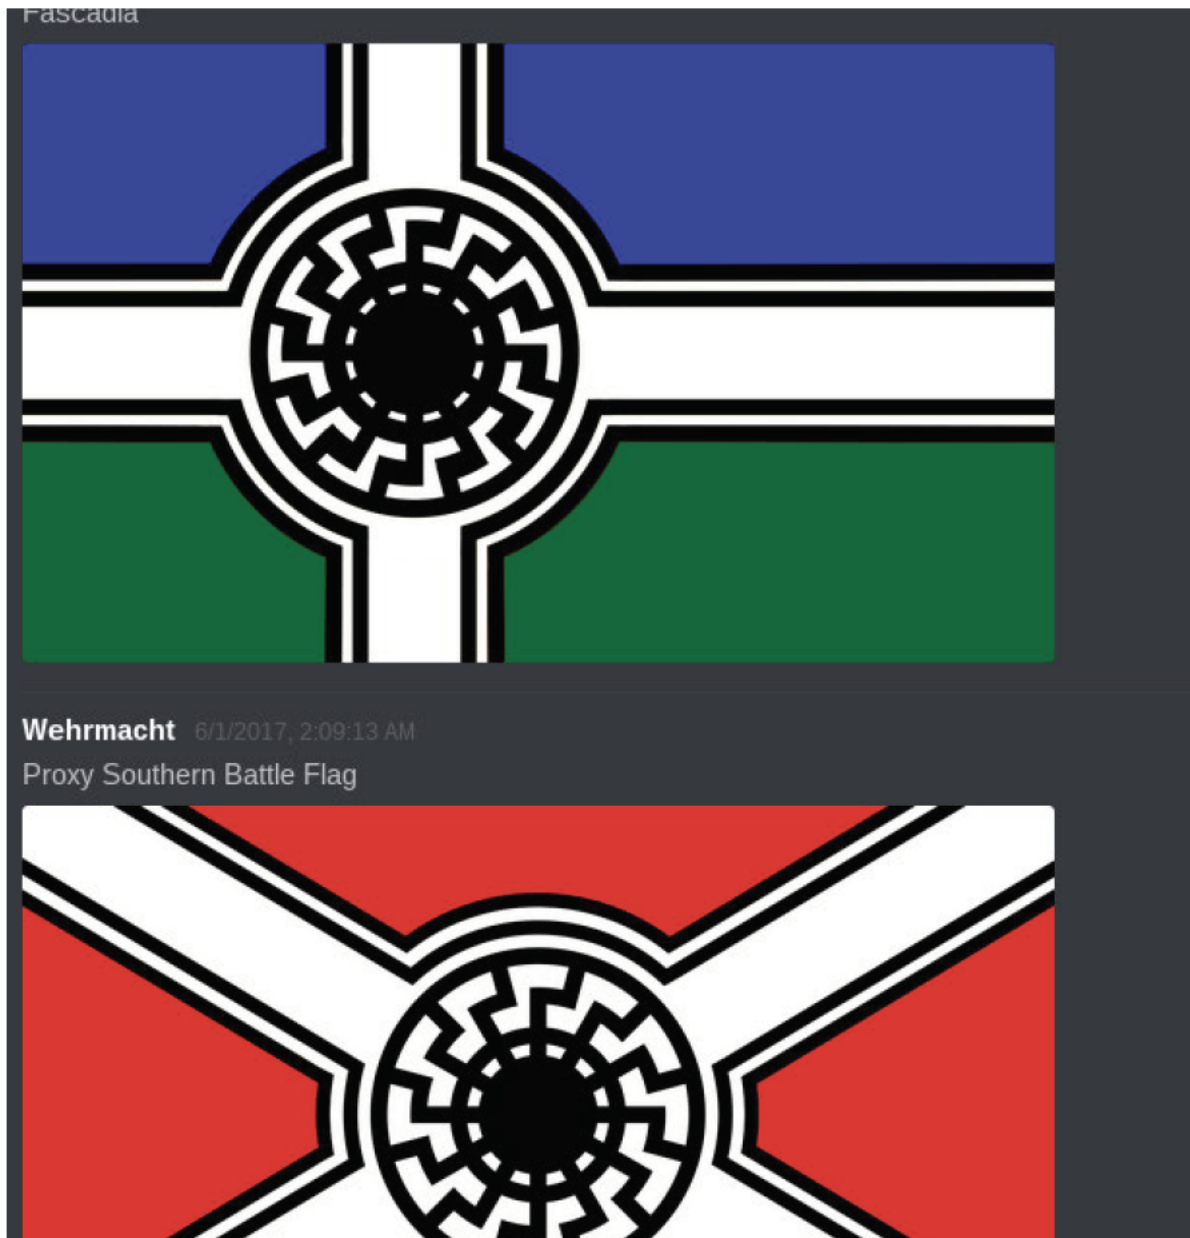

Australopithecus Jordan 7/11/2017, 11:45:54 PM

Go back to your super Nazi crew.

Wehrmacht 7/11/2017, 11:46:09 PM

Maybe we'll catch up at our pillow fort ethnostate and we can talk it over in person

The Oregon Aryans spend much of their time debating over tactics, and the exact design of their posters, stickers, and apparel items. When deciding what sort of flag to use, hundreds of posts are made critiquing the colors, shapes, and exact fascist imagery that should be used. They bicker about what sort of uniform to wear, and never even come to much of a conclusion.

A few of the many designs for the Central Oregon Aryans' "fascist Cascadia" flag. Others not posted for reasons of tedium. They ended up going with something like the top version.

Jimmy Marr 5/18/2017, 10:20:32 PM

No, you're totally in the right to bash the hell out of it. The fasces must be destroyed. No trace of it shall remain. Total annihilation by the Black Sun.

Jimmy Marr 5/18/2017, 10:24:39 PM

I'll personally destroy anyone I see waving that raggity-assed, rickshaw, bundle-of-bamboo looking symbol north of the Umpqua river.

Jimmy Marr 5/18/2017, 10:29:56 PM

Plus... I'm telling the New Sheriff.

Jimmy Marr 5/18/2017, 10:39:04 PM

I hate that goddamned wop symbol.

Jimmy Marr 5/18/2017, 10:39:40 PM

Literally shaking right now.

Jimmy Marr get apoplectic in describing his distaste for the fasces symbol.

Wehrmacht 5/19/2017, 4:33:07 PM

the more innocuous our symbolism

Wehrmacht 5/19/2017, 4:33:18 PM

the more hysterical and stupid they look calling it hateful

Australopithecus Jordan 5/19/2017, 4:33:31 PM

The sonnenrad is our generations swastika

David Woods describes the sonnenrad (the symbol in the center of the two flags, above) as their "generation's swastika".

Wehrmacht 6/22/2017, 2:56:49 AM

Ill look for acceptable alternatives to the standard uni that fort the mold

Fluxis 6/22/2017, 2:57:19 AM

I'm 19, and don't have a lot of money to myself to buy clothes with, I'll show up to flag drops in black with flags. Going to see if I can get a flag from Fourteen when they come out for this

Australopithecus Jordan 6/22/2017, 2:58:08 AM

The shirt is \$16 shipped to your door.

Fluxis 6/22/2017, 2:58:29 AM

Also books and recording equipment is equally important to me

Wehrmacht 6/22/2017, 2:59:33 AM

Go to Wal-Mart. But black cargo pants. 10.99

Wehrmacht 6/22/2017, 2:59:39 AM

Buy*

Australopithecus Jordan 6/22/2017, 2:59:43 AM

I'm sensing a lot of self importance going on and I don't like it. Cut your nappy ass hair and get with the program. Are you trying to be a beat maker or some stupid shit. WTF?

The Oregon Aryans argue about uniform requirements, when Austin Wilkison (Fluxis) says he can't afford the \$16 shirt.

Banners

Oregon and Washington, holding large banners with inside-joke racist slogans. These generated much more media attention than the posters, and the Oregon Aryans were beside themselves with joy at the response.

David Woods (on left) and another member of the CCC Discord stand with an anti-Semitic banner in Jimmy Marr's backyard.

Jimmy Marr and David Woods stand with a banner in Southern Washington.

Events

The Oregon Aryans have attempted to go out into public to create propaganda moments and draw media attention, but have not had much success. Although an April 20th visit to the University of Oregon campus in Eugene drew some media attention, a visit to an activist gathering in Corvallis on May 20th didn't have nearly the same response.

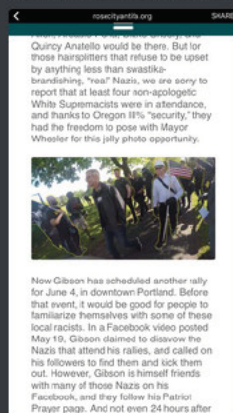

David Woods and another Oregon Aryans member are easily met by counter-protesters in Corvallis.

A number of the Oregon Aryans were at Joey Gibson's April 29th event on 82nd Avenue. There, they were spotted and documented by Rose City Antifa. They saw RCA's article, and commented on it.

cos/sin-WA 5/22/2017, 9:09:45 PM

So there was a free speech rally a few weeks ago and there was some antifa and the mayor of portland showed up. We had no idea who he was but we have a pretty good photo.

After that, David Woods comments that he would rather not attend far-right rallies, because of the attention that they draw.

Australopithecus Jordan 5/22/2017, 9:50:23 PM

This is why I would rather us do our own blitz rallies. Antifa will be looking for us, no big deal, but now we are going to be harassed by faggot Trump people all day as well. We better form a pack and stick together this time.

Portland on their way to the rally.

Woods then commented that he would prefer “flash rallies” over the larger far-right rallies. The argument is that it would be harder to be caught by anti-fascist activists, and they would get better media coverage, because they wouldn’t have to hide their nazi slogans to avoid detection, as in the larger far-right rallies.

Australopithecus Jordan 6/8/2017, 2:18:43 AM (edited)

Operation Code Name: “Sonnenrad Blitz”. This operation can be done at any mall, college campus, event, or downtown area. We pick the most busy time for location. Show up and march through the space with our flags and signs, chanting something like “Diversity Is White Genocide RAAAH!” (add in a drummer if available). We can generate a bunch of social media photos and videos this way. We also have flyers to pass out to people who ask what we are doing. Participants can choose mask or no mask. We can blitz a few locations in one day. Demonstrate, and move on. It would be great to get at least 10 guys for this. If we do it somewhere outdoors at night we add torches. I would like to get this done sometime in mid July. Totally legal and legit as all our operations are. If we can get people from all 3 groups together it will be awesome.

Australopithecus Jordan 6/8/2017, 2:50:30 AM

It would be wise to assign someone to float around taking pictures/video that we could send to news outlets afterwards, furnish them with a story.

Australopithecus Jordan 6/8/2017, 2:53:39 AM

Signs will be key to go with the flags so our message is direct, makes it more difficult for lügenpresse to twist the narrative.

No such “flash rallies” have happened yet, but it is likely that this group of fascists will do whatever they can to gain more media coverage, while avoiding being intercepted by anti-fascists.
